

Informed, Focused Collective Giving

RANCHO SANTA FE
Women's Fund

Throughout history, women have built stronger communities through volunteerism, leadership and gifts of their talent and time. The Rancho Santa Fe Women's Fund began in November 2004 as a way for women to join together in meaningful and engaging ways to give back to the greater community. The power of many women giving together has a significant impact on community-wide needs with focused collective grantmaking.

Ways to participate

Do a Little...

Rancho Santa Fe Women's Fund members commit to making their annual contribution and voting on final grant recipients. Every member has one vote. We do no fundraising. We have no obligatory meetings.

Do a Lot...

Members wishing additional involvement are encouraged to serve on a committee. Currently there are four committees, chaired by Rancho Santa Fe Women's Fund members: Advisory, Grant, Membership and Publicity.
