Community Impact

As a community foundation, the Rancho Santa Fe Foundation offers the Community Impact Fund. This unique charitable giving option allows donors to give collectively to make the most significant impact on needs in the local community and region.

**North County Senior Connections**

The Community Impact Fund currently supports North County Senior Connections (NCSC). The goal of this innovative program is to increase the wellness and food security of North County seniors, as well as to build community among seniors.

To meet the needs of North County San Diego’s growing senior population, the Rancho Santa Fe Foundation convened Interfaith Community Services and Dreams for Change to provide a collaborative program. These two organizations host five lunches each week served by the Thyme Together food truck at a faith center and senior mobile home communities in North County.
