## EVENT DETAILS:

Join us as we discuss workforce development opportunities for at risk youth ages 16-24 in San Diego County. Our three panelists will each share the “why” and “how” of programs they have developed. They’ll also share challenges these youth face and how their programs are not only helping secure jobs but putting the youth on a career path for a sustainable future.

Light appetizers will be provided by Kitchens for Good, 2018 Reader’s Pick - Best Caterer in San Diego Magazine.

VisionNow highlights activities that our donors are engaged in which put their charitable vision for a brighter future into action today. We believe that a shared vision for addressing needs and changing lives can make real and lasting impact.
